

Dear parent/guardian,

Invitation to Red House School Maths Activity Day

I would like to invite a group of able mathematicians from our current Years 5/6 to a Maths activity day that will take place at Red House School on **Wednesday 13 November 2019**. The event will include taking part in the Primary Maths Challenge. The children will explore a range of practical mathematical activities during the morning and also enjoy some outdoor fun. Pupils will then complete the Primary Maths Challenge that includes a diverse range of challenging word problems. All children will receive a 'Took the Challenge' certificate. Some may well receive a Gold, Silver or Bronze certificate for their achievements.

Red House School will serve lunch in their dining room along with a wide range of hot and cold meals and tasty desserts. If your child has any specific dietary requirements please inform us.

Children will leave the academy at 9.00am and return to Brambles Primary academy for 3.00pm.

If you would like your child to join us please complete the form below. **There will be no charge for the day.**

With best wishes

Mr Higgins
Deputy Head Teacher

Red House Y5/6 Maths Challenge

I give permission for my child..... Class
to take part in the Red House Y6 Maths Challenge on **Wednesday 13 November 2019.**

- I will provide a packed lunch
- I would like my child to have a free hot meal from Red House School
- My child uses an inhaler and will have it with them for the trip
