

Brambles Primary Academy – N2

Nursery
27.4.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures on our [Facebook](#) page or email brambles@tved.org.uk

In the summer term we would be thinking about preparing the children for full time school. A 'school ready' challenge will be set to practise each week. Anything you can do at home to help your child become independent will be a great benefit to them.

'Please send us your photos. We love seeing what you have been doing!'

Subject	Learning Challenge
Maths	Number of the week 2. Watch Numberblocks The Number 2 https://www.youtube.com/watch?v=xyRFdFSGsgQ Sing 2 Little Dickie Birds Learn the Number two rhyme  Ask a grown up to put some flour or salt onto a plate – practise writing number 1 and number 2 in the flour or salt.
Phonics	Please watch the daily Read Write Inc phonics session. Set 1 9.30am . Click link RWI Phonics The videos are available for 24hrs after being shown. Can you be a sound detective and look for objects in your house beginning with these sounds? Ask a grown up to take photos of the objects you find.
Reading	Share a story with your child; this could be one from home, one from Oxford Owl https://home.oxfordowl.co.uk/books/free-ebooks/ or from Teach your Monster to Read. Maybe share a couple of pages a day, then talk about what might happen next in the story to build up the suspense for the following day.
Writing	Practise writing your name and recognising it. Ask an adult to write your name then cut the letters up, muddle them up – can you put your name back together?
The World	Talk about the people in your family – draw a picture of your family – send a photograph to school so we can see – you might also like to send the picture to members of your family to make them smile.
Getting School ready	Did you manage to dress yourself last week? Well done if you did, keep up the good work! Can you put on your own coat and zip it up?
