

# Brambles Primary Academy

## Home Learning

Y1

27.4.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures or send examples of the work you have done on our [Facebook](#) page or email [brambles@tved.org.uk](mailto:brambles@tved.org.uk).

Please continue to read daily, this is the key to future success.

Subject	Learning Challenge									
<p><b>Maths</b></p> 	<p><b>Shape</b> There are shapes all around the house and even outside in our gardens and yards. Use the shapes below to originally identify and then locate around the house. Take photos and group the shapes together. Challenge others in your home to identify more or different items for the shapes.</p> <div style="display: flex; justify-content: space-around; align-items: center;">     </div> <p>Remember to practice your times tables at home. This week we would like you to look at your 2 times tables.</p>									
<p><b>Reading</b></p> 	<p><b>Reading</b> Read a story either by yourself or with a grown up and share what you liked about it. Make a recommendation to a friend. This could be done by video and shared through the academy's Facebook or you could email school and we could share this through marvellous me.</p>									
<p><b>Writing</b></p> 	<p>This week we would love to hear about what you have been doing over Easter. We know things are tough at the moment but we want to hear about something nice that has happened or you have been doing.</p> <p>This weeks spellings are</p> <table border="1" data-bbox="296 1496 1560 1608"> <tbody> <tr> <td>Made</td> <td>plate</td> <td>Rake</td> </tr> <tr> <td>Same</td> <td>mistake</td> <td>Safe</td> </tr> <tr> <td>take</td> <td>came</td> <td>awake</td> </tr> </tbody> </table>	Made	plate	Rake	Same	mistake	Safe	take	came	awake
Made	plate	Rake								
Same	mistake	Safe								
take	came	awake								
<p><b>Wider Curriculum</b></p>	<p>This half term we were learning about animals. Can you take 10 minutes a day to look to see what birds you can see. Try to take a photo or use a tablet, phone or computer to look up any birds you see and match them to discover their name. There are lots of different birds around our area. Some are very common and it will be interesting to see which bird is spotted by you all the most. You may already know, but Miss Beever's favourite animal is an owl. You never know, although unlikely, they could make a rare appearance.</p> 									
<p><b>Challenge</b></p>	<p>Can you gather one thing that starts with each letter of the alphabet and collect them on one dinner plate – nothing bigger. Send your photos in, I can't wait to see.</p>
