

Brambles Primary Academy – Afternoon Nursery

Nursery
4.5.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures on our [Facebook](#) page or email brambles@tved.org.uk

In the summer term we would be working on the children's Personal, Social and Emotional skills and beginning to introduce Maths and Phonics in preparation for the children becoming our older Nursery members in September. Anything you can do at home to help your child become independent will be a great benefit to them.

Subject	Learning Challenge
Maths	Practise your counting as you go up and down the stairs – count one number for each step. Learn the rhyme '1,2,3,4,5, once I caught a fish alive' Can you make a collection of red objects in your house? Count how many objects you find.
Phonics	Nursery Rhyme week 2 – learn and sing a nursery rhyme each day – these can all be found on YouTube. Down in the jungle (learn the actions too) https://www.youtube.com/watch?v=gExFftwIHN8 Twinkle Twinkle Little Star Heads, Shoulders, Knees and Toes 5 Little Ducks
Reading	Share a story with your child; this could be one from home, one from Oxford Owl https://home.oxfordowl.co.uk/books/free-ebooks/ or from Teach your Monster to Read.
Writing	Draw a picture of the people that live in your house – ask an adult to write names next to each person.
The World	On Friday around the country we will be celebrating VE day. This is a very important date especially for older people that fought in the war. Why not make some bunting to decorate your house or garden? I have attached a video to help. https://www.youtube.com/watch?v=gExFftwIHN8
Physical Development	Sticky Kids – Join in with music and movement on youtube Using boxes, blocks or anything you can find – make a tower as tall as yourself. Send me a photograph so I can see your towers so tall!
