

Brambles Primary Academy

Home Learning

Reception
18.5.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures or send examples of the work you have done on our [Facebook](#) page or email TVEbrambles@tved.org.uk.

Please continue to read daily, this is the key to future success.

'Thank you for the fantastic photos. We love seeing what you have been doing!'

Have Fun! 🧡

Subject	Learning Challenge
Maths 	Summer 1 Week 4. The very hungry caterpillar This week's maths learning challenge is looking at the days of the week, just like the 'Hungry Caterpillar'. Keep a diary of your week. Monday, 10 jumps. Tuesday, 20 claps. Wednesday, 15 hops. Thursday, 30 twirls. Friday, 5 star jumps. Saturday, touch toes. Sunday, your choice. Enjoy!
Phonics	For your phonics learning this week, visit the web site www.phonicsbloom.com . Work through the activities on your own and then challenge family members to see what sounds/words they know.
Reading 	Watch the Very Hungry Caterpillar story on you tube. Listen very carefully to what happens in the story, especially the adjectives that is read out. From this story, can you make a mind map of the important things that the caterpillar does. Don't forget to add some adjectives. e.g. Crunchy apple.
Writing 	Make a butterfly/caterpillar using cake cases or paper. Remember each step that you did. Writing challenge is to write some instructions on how you made it. This will help someone else to make one just like you when we return to the academy.
The World 	When you are having fun in the garden or on your little walk, look out for butterflies/caterpillars and count how many you have found. If you get close enough (don't touch) look at the markings and colours on them.
Brambles Challenge	Look at some old family photographs, talk about how much you have grown up. Encourage other family members to help you make a family tree using some photographs. Please take photos and send them into the academy.
