<p>Wider Curriculum</p>	<p>During the Summer term, we are going to learn about a nurse from the past called Mary Seacole. She lived through the Crimean war (1853 -1856) as a nurse, treating men from the battlefield. She ensured her hotel (hospital) was clean and comfortable for the soldiers. Today, our NHS nurses and doctors are working hard during a terrible virus. Can you draw yourself as a nurse/ doctor and with what equipment you may be using today? Remember, we clap each Thursday evening at 8pm to support the NHS and other key workers.</p> 																												
<p>Challenge</p>	<p>Can you create a summer picture using natural materials? You could use: grass, flowers (ask an adult), sticks, pebbles etc.</p>
