

We hope you really like your Year 6 leavers hoodie! As an Academy, we have a couple of jobs we would like you to do with them.

Job 1:

Please can all children take a picture wearing their new Year 6 leavers hoodie whilst holding up a picture of a rainbow with the words 'Good Luck' written underneath the rainbow.

Job 2:

We would like every child in Year 6 to write a message to each child in the year group. It is important that your message is kind and meaningful. You must write one to each person in the year group- you can tick their names off the list below as you have done them. We have provided paper for you to do them on and you need to do them in your neatest handwriting. Please make sure you write the name of who you are writing about and who it is from.

Your message should be a reflection of the year, things you like most about them, your favourite memories with this person, what you will miss about them- or that you are looking forward to going to your secondary school with them. Remember, your messages will be given to each person and they should reflect the lovely times you have had together at Brambles Primary Academy. It is a way of saying goodbye and good luck!

Only messages that are appropriate, kind and meaningful will be included in the leavers book.

Please can these pictures and messages be sent to our school Facebook Messenger page or emailed to brambles@tved.org.uk or **preferably** dropped in the mailbox in the office lobby by 15th June 2020.

We are missing all of our children, we hope you are staying safe at home and look forward to receiving your messages.
