

Brambles Primary Academy – Afternoon Nursery

Nursery
08.6.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures on our [Facebook](#) page or email brambles@tved.org.uk

In the summer term we would be working on the children's Personal, Social and Emotional skills and beginning to introduce Maths and Phonics in preparation for the children becoming our older Nursery members in September. Anything you can do at home to help your child become independent will be a great benefit to them.

Subject	Learning Challenge
Maths	Can you paint or draw 3 different size fish, a small one, a middle sized one and a large one. Can you put them in size order? Take a picture.
Phonics	Learn the words to 'Rain, Rain Go Away'
Reading	Listen to the story of 'Sharing a Shell', why is it important to share?
Writing	Bubble Painting Mix paint and water with washing up liquid in a cup. Blow through a straw to make bubbles, then lay paper on top of bubbles to make a prints.
The World	In the story of 'Sharing a Shell', the creatures use an ice cream tub for a home, can you find something to make a home/aquarium for your fish.
Physical Development	Can you walk like a crab, float like a jelly fish, squirm like an octopus? You could make up a dance to 'Under the Sea' from The Little Mermaid.
