

# Brambles Primary Academy – Afternoon Nursery

Nursery  
29.6.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures on our [Facebook](#) page or email [brambles@tved.org.uk](mailto:brambles@tved.org.uk)

In the summer term we would be working on the children's Personal, Social and Emotional skills and beginning to introduce Maths and Phonics in preparation for the children becoming our older Nursery members in September. Anything you can do at home to help your child become independent will be a great benefit to them.

Subject	Learning Challenge
Maths	<p>Make shape patterns outside – this is a fun, creative activity.</p>  <p><b>Outdoor Shape</b></p> <p>Whenever you're outdoors, take the time to see what you find to talk about maths. Symmetry, counting or today's activity, shape.</p> <p>Discuss shape names, how many corners, sides are there? Are they 2D or 3D?</p> <p>Encourage children to make the shapes. Notice if the sides are curved or straight.</p>

Reading	<p>This week we are listening to the story of 'Pirates Love Underpants' Encourage them to think about what is meant by 'value' and how things are valued for different reasons. Find something at home that is very special to you.</p>
Writing	 <div style="border: 1px solid black; padding: 5px;"> <p>Ask an adult to draw you a template of a pair of pants – can you design your own pants! They maybe colourful, stripy, spotty, it is up to you! Send a photograph of your pants so we can look at your designs.</p> </div>
The World	<p>On Monday 29<sup>th</sup> June it is 'International Mud Day', this day celebrates the fact that in this country we have access to clean water and also makes us think of children that do not have this. Plant some seeds, flowers, do some digging then wash your hands so they are clean – have fun in the mud!</p>
