

Brambles Primary Academy

Home Learning

Reception

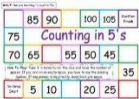

15.6.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures or send examples of the work you have done on our [Facebook](#) page or email TVEbrambles@tved.org.uk.

Please continue to read daily, this is the key to future success.

'Thank you for the fantastic photos. We love seeing what you have been doing!'

Have Fun! 😊

Subject	Learning Challenge								
Maths 	Summer Week 8 Sharing a shell This week's maths learning challenge is counting up in 5's. You could use your fingers, steps and movements to help you with this. Ask an adult or older sibling to help you to start. Try your best to get to 50. You are a super star if you can count in 5's to 100. Enjoy! Have a look at the 'counting in 5's' missing number grid and try to find the missing number.								
Phonics 	For your phonics learning this week can you focus on some spellings. I have put some red and green words. Challenge... Can you read, write and spell them? <table border="1" style="width: 100%; text-align: center;"> <tr> <td style="color: red;">of</td> <td style="color: red;">no</td> <td style="color: red;">love</td> <td style="color: red;">here</td> </tr> <tr> <td style="color: green;">three</td> <td style="color: green;">tree</td> <td style="color: green;">bee</td> <td style="color: green;">see</td> </tr> </table>	of	no	love	here	three	tree	bee	see
of	no	love	here						
three	tree	bee	see						
Reading 	Have a look on the internet if you have not got a copy of the Sharing a shell book. Listen to the story and join in if you are familiar with it. Look out for some of them cheeky 'red words' and 'green words'.								
Writing 	For your writing challenge, this week, if you are going to the seaside choose a special shell or if not, make a shell using 2 cups of plain flour, 1 cup of salt, and 1 cup of warm water (Salt dough). Please can you write about why you like it, what does it feel like and who would you share it with. 								
The World 	On Sunday, it is a special day for your Dad, Grandad or a boy in your family. Can you make them a special card for this special event? Remember to us your key works To and Love . Remember to keep it in a special place until the day, then you can surprise them.								
Reception Challenge	Practice your physical skills. Can you hop, jump, leap, star jump, roll, skip? Encourage your family members to join in to! Have fun								

Keep an eye on the Academy Facebook and Website for updates and more challenges!
