

Brambles Primary Academy – Afternoon Nursery

Nursery
22.6.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures on our [Facebook](#) page or email brambles@tved.org.uk

In the summer term we would be working on the children's Personal, Social and Emotional skills and beginning to introduce Maths and Phonics in preparation for the children becoming our older Nursery members in September. Anything you can do at home to help your child become independent will be a great benefit to them.

Subject	Learning Challenge
Maths	Collect some stones or shells, using two buckets (or cups whatever you have at home) share your shells or stones between the two buckets. Do they both have the same number?
Phonics	Learn the words to the song, 'Oh I do like to be beside the seaside' https://www.youtube.com/watch?v=kcHyyuGjuk0
Reading	Listen to a story about water or being at the seaside, you can choose. Send a photograph to school showing which book you chose and why you chose it.
Writing	Draw a picture of all the things you would need to take for a day at the beach?
The World	Whilst out walking (or you may even visit the beach), collect some stones. Whilst at home decorate your stone, you could paint it your favourite colour, make a rainbow on it, you can choose. Please keep it safe and when we return to school bring it with you as we are going to make a display in the outdoor area with them.
Physical Development	 <p>Can you do these 6 exercises with your family?</p>
