

# Brambles Primary Academy

## Home Learning

Y1 & Y2

13.7.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures or send examples of the work you have done on our [Facebook](#) page or email [brambles@tved.org.uk](mailto:brambles@tved.org.uk).

Please continue to read daily, this is the key to future success.

Remember to log into Times Table Rockstars and Spelling Shed!

Subject	Learning Challenge																														
<p><b>Maths</b></p> 	<p><b>Money</b></p> <p>Can you think of the different coins and notes that we can use to pay for items in a shop? Imagine you are a shopkeeper. Use the price list to set up your own shop in your house. Ask people in your house to come and buy things from your shop with their money. Can you work out how much change they will need? Then ask someone else to be the shopkeeper. Can you work out the correct amount of money you will need to buy some of the items on the list?</p>		 <table border="1"> <caption>Sandwich Shop Price List</caption> <tr><td>sandwich</td><td>14p</td></tr> <tr><td>roll</td><td>18p</td></tr> <tr><td>ciabatta</td><td>20p</td></tr> <tr><td>baguette</td><td>20p</td></tr> <tr><td>wrap</td><td>14p</td></tr> <tr><td>plate of salad</td><td>12p</td></tr> <tr><td>slice of pizza</td><td>8p</td></tr> <tr><td>pie</td><td>6p</td></tr> <tr><td>pasty</td><td>7p</td></tr> <tr><td>crisps</td><td>4p</td></tr> <tr><td>chocolate</td><td>3p</td></tr> <tr><td>hot drink</td><td>6p</td></tr> <tr><td>fizzy drink</td><td>5p</td></tr> <tr><td>piece of fruit</td><td>4p</td></tr> </table>	sandwich	14p	roll	18p	ciabatta	20p	baguette	20p	wrap	14p	plate of salad	12p	slice of pizza	8p	pie	6p	pasty	7p	crisps	4p	chocolate	3p	hot drink	6p	fizzy drink	5p	piece of fruit	4p

<p><b>Reading</b></p> 	<p>Listen to 'Harry the Dirty Dog' online - <a href="https://www.storylineonline.net/books/harry-the-dirty-dog/">https://www.storylineonline.net/books/harry-the-dirty-dog/</a></p> <p>Once you have listened to the story, explain what happened in the story to someone in your house. Do you think Harry the dog liked his baths by the end of the story? Do you think he will run away with the scrubbing brush again? Why?</p>																														
<p><b>Writing</b></p> 	<p>Recycling is when we take materials that we are going to throw away and put them through a process so we can reuse them again. We can recycle items such as cereal boxes, tins, paper, plastic and glass. We would like you to design a poster explaining the importance of recycling. The poster can be placed in your kitchen to encourage your family members to recycle. Make sure you use lots of adjectives and verbs.</p> <p>This weeks spellings are:</p> <table border="1"> <tr> <td>wild</td> <td>climb</td> <td>most</td> </tr> <tr> <td>only</td> <td>both</td> <td>old</td> </tr> <tr> <td>cold</td> <td>gold</td> <td>hold</td> </tr> <tr> <td>told</td> <td colspan="2">a sentence?</td> </tr> </table>		wild	climb	most	only	both	old	cold	gold	hold	told	a sentence?																		
wild	climb	most																													
only	both	old																													
cold	gold	hold																													
told	a sentence?																														
<p><b>Wider Curriculum</b></p>	<p>In your house, you will recycle lots of different things each week and put it in a special bin. This week, we would like you to make something from your recycling and make a junk modelling art piece. You can make anything you want. First, draw your design out on paper – you could choose to make a castle or a rocket. Then, you will need to collect together bits of recycling that you will need to build your model. Then start building your masterpiece! When they are finished, ask a grown up to take a picture and send it into school. We would love to see your art work!</p>																														
<p><b>Challenge</b></p>	<p>Your challenge this week is to make an obstacle course out of pieces of junk. You could look for things you are going to recycle and use these. Think about using cereal boxes, tins and plastic milk bottles. How fast can you complete the obstacle course? [p</p>
