

Brambles Primary Academy

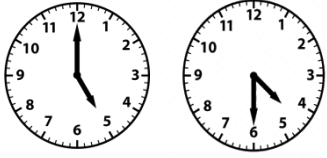

Home Learning

Y1

4.5.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures or send examples of the work you have done on our [Facebook](#) page or email brambles@tved.org.uk.

Please continue to read daily, this is the key to future success.

Subject	Learning Challenge									
<p>Maths</p> 	<p>Time Telling the time is a very important skill. Think about things that you do each day and the time that you do them. Can you write down 5 things you have done today and what time you did them? You could even draw a clock to help you.</p>  <p>Remember to practice your times tables at home. This week we would like you to look at your 5 times tables. (This helps us with telling the time!) Remember to use hit the button or timetables rockstars to help you.</p>									
<p>Reading</p> 	<p>One of the things I am missing most about school is our story time in class. Have a listen to this story read by the author Tom Fletcher. Can you write a book review? Think about what you liked or didn't like about the story and what your favourite part was. How many stars would you give it? https://www.puffinschools.co.uk/resources/ks1-video-theres-a-monster-in-your-book-by-tom-fletcher-3-mins/</p>									
<p>Writing</p> 	<p>Miss Suffell has been doing lots of cooking and baking to keep herself busy over the last few weeks. Can you make something (you might need a grown up to help you) and write some instructions to tell everybody how to make it. This could be something as simple as making a sandwich.</p> <p>This weeks spellings are:</p> <table border="1" data-bbox="295 1500 1564 1624"> <tbody> <tr> <td>even</td> <td>theme</td> <td>these</td> </tr> <tr> <td>evening</td> <td>eve</td> <td>delete</td> </tr> <tr> <td>complete</td> <td>athlete</td> <td>extreme</td> </tr> </tbody> </table>	even	theme	these	evening	eve	delete	complete	athlete	extreme
even	theme	these								
evening	eve	delete								
complete	athlete	extreme								
<p>Wider Curriculum</p>	<p>This half term we were learning about animals. Can you make a bug hotel to see what mini beasts you can spot. You will need a bottle or box and lots of natural materials such as sticks and leaves. Cut out the front of the bottle (you will need some help from a grown up) and fill it full of what you have found. Find a home for it somewhere outside and then watch carefully to see what bugs move into your new hotel! I would love to see photos of what you have made.</p> 									
<p>Challenge</p>	<p>Art for kids hub is a youtube channel that has step by step how to draw videos for children, with varied difficulty. Can you have a go at following one of the videos? Send your photos in, I can't wait to see. https://www.youtube.com/channel/UC5XMF3Inoi8R9nSI8ChOsdQ</p>
