Book Club	<p>Gangsta Granny is a British children's comedy fiction book, written by David Walliams, illustrated by Tony Ross and published by HarperCollins. Ben, a boy, hates having to stay with his Granny every Friday because his parents go to see a dancing show named "Strictly Stars Dancing". He finds it boring and repetitive as his Granny always feeds him cabbage-related dishes, most commonly cabbage soup and cabbage chocolate, and they are constantly playing Scrabble, plus her television hasn't been working since the 1990s. Ben loves plumbing and is a long-term subscriber to the magazine Plumbing Weekly, which he buys every week from Raj's news-agency. Ben's parents disapprove of him being a plumber, as their ambition for their only child was to be a professional ballet dancer like the one they used to watch every Friday.</p>  <p>From reading the blurb, if you could meet the author what questions would you ask him?</p> <p>Think about the plot and the characters and link your questions.</p>
