Brambles Primary Academy

Home Learning

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures or send examples of the work you have done on our Facebook page or email brambles@tved.org.uk

Please continue to read daily, this is the key to future success.
Remember to log onto Times Tables Rock Stars and Spelling Shed.
I hope you are all keeping well and staying safe.

Maths	Telling the time often poses problems due to the different ways that time is presented to us. Sometimes it is a digital time, 11:30 am, sometimes it is digital 24-hour time, 23.30. Sometimes it is shown on an analogue clock face,  . Use the following link to practice telling the time. https://www.topmarks.co.uk/time/teaching-clock The buttons to the left of the clock allow you to change the time, change from analogue to digital, move the time on or even back. Set yourself a daily challenge by checking the time now feature as often as you possibly can.
Reading	https://www.twinkl.co.uk/resource/catherine-of-aragon-differentiated-reading-comprehension-activity-t2-e-5171 Title: Catherine of Aragon Choose the difficulty, read the text carefully, find any words you don't understand and then have a go at answering the questions. Once you have completed the entire text, check the answers.
Writing	Imagine what it was like living in Tudor times, write a recount of a day working in the court of Henry VIII.
Wider Curriculum	Design a gadget that would be useful in your home during lockdown. Send labelled pictures to the website at the top or post on our Facebook page.
Challenge	Can you make up a rhyme or simple song to help younger children learn the months of the year?
Book Club	https://stories.audible.com/pdp/B084N8WWSC?ref=adbl_ent_anon_ds_pdp_pc_cntr-2-0  What is the coronavirus, and why is everyone talking about it? Narrated by Hugh Bonneville, this approachable and timely audiobook helps answer these questions and many more, providing children aged five to 10 and their parents with clear and accessible explanations about the coronavirus and its effects - both from a health perspective and the impact it has on a family's day-to-day life.
