The Beach

As the sun rises with a cool breeze, a gentle swish of golden sand blows quickly through the air. In the distance, the puffy clouds run happily enjoying the sunny morning air. As they have fun, they form magnificent pictures! Proudly, the lonely palm tree stands, hovering over the never-ending blue. Its long leaves hanging dangerously are ready to fall... One by one, the coconuts on the palm tree fall painfully with a bash and elegantly the golden fairies fly up and land in the mysterious never-ending water with a plop. Underneath your relaxed feet, you feel the warmth of the golden blanket in between your toes and the water splashing in your face. You smell the salty water drifting all around the place. Fascinatingly, the silent sea is still and crystal clear. Suddenly, baby dolphins splash through the ocean, creating a fountain. Brightly, the beautiful beach glistens in the blazing sunlight. Often, the tide beckons the glorious water in.

Delicately, the sun gives the world a fascinating glow. Enthusiastically, the golden beach makes the world shine and a better place...
