

# Brambles Primary Academy

## Home Learning

Reception

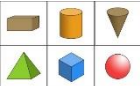

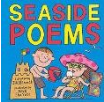

29.6.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures or send examples of the work you have done on our [Facebook](#) page or email [TVEbrambles@tved.org.uk](mailto:TVEbrambles@tved.org.uk).

Please continue to read daily, this is the key to future success.

'Thank you for the fantastic photos. We love seeing what you have been doing!'

Have Fun! 🤗

Subject	Learning Challenge			
<b>Maths</b> 	Summer Week 10 Riddles and Poems This week's maths learning challenge is 3D shapes. Cube, Cuboid, Sphere, Cone and Pyramid. Play 'I spy' and look around the house, garden and on outings for 3D shapes. Can you take a picture of the shapes that you have found or can you draw them and write the correct name next to them? Have fun!			
<b>Phonics</b> 	For your phonics learning this week can you focus on some spellings. I have put some red and green words. Challenge... Can you read, write and spell them?			
	was	we	so	come
	car	bar	scar	far
<b>Reading</b> 	Have a look on the internet for a seaside poem like the book opposite. Listen to the poem and listen out for the rhyming words and alliteration. Look out for some of them cheeky 'red words' and 'green words'.			
<b>Writing</b> 	For your writing challenge, this week. Look at the pictures opposite of the seaside objects. Can you make up your own riddle for one of them? e.g. I am cold, I have a cone, I am yummy..... What am I? (Ice cream) Have fun asking your family to guess.			
<b>The World</b> 	Ask an adult in your family to help you make your own Ice-cream. You will need 4 cups full fat cream, 1 can Sweetened Condensed Milk and 2 tablespoons vanilla extract. Whisk all ingredients together and freeze until frozen. YUMMY!			
<b>Reception Challenge</b> 	As the summer is here. Ask an adult to help you make a paper windmill. Have fun watching it spin in the wind. Remember to keep safe in the sun! Put cream and hat on, sit in the shade and drink often.			

Keep an eye on the Academy Facebook and Website for updates and more challenges!
