

Brambles Primary Academy

Home Learning

Y1 / 2

29.6.20

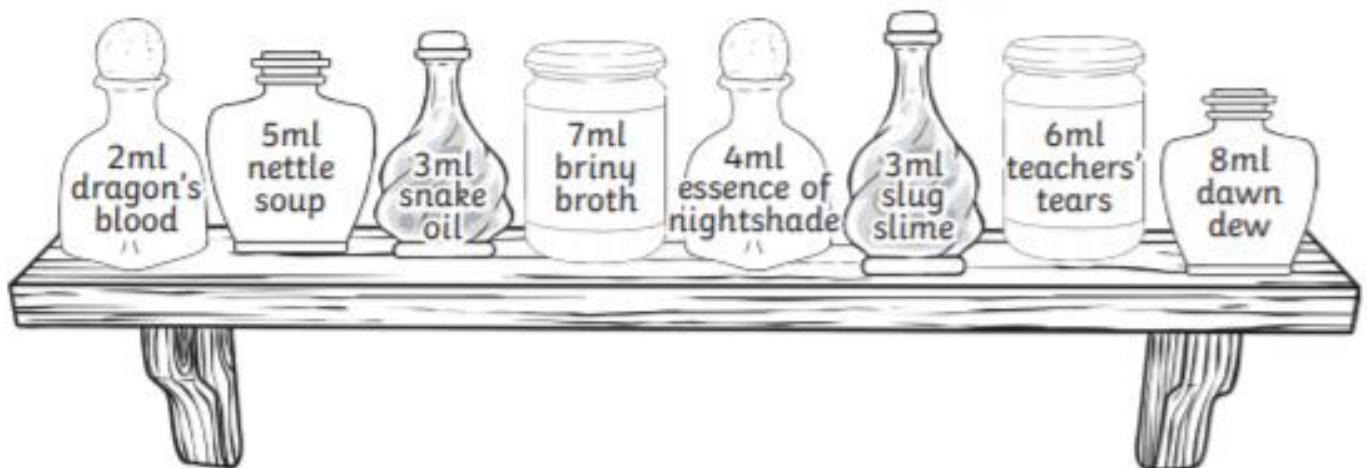

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures or send examples of the work you have done on our [Facebook](#) page or email brambles@tved.org.uk.

Please continue to read daily, this is the key to future success.

Remember to log into Times Table Rockstars and Spelling Shed!

Subject	Learning Challenge									
<p>Maths</p> 	<p>This week's theme for our learning is magic. Wizard William and Witch Winifred have been mixing potions. Can you help them find all the possibilities for their recipes? Complete the capacity work sheet. Can you make some potions of your own? Use a measuring jug to measure the capacity of your potion.</p> <p>Remember, you should be practising these times tables: 2, 5 and 10. If you feel confident you could start on your 3's. Don't forget to log into times tables rockstars!</p>									
<p>Reading</p> 	<p>Listen to this story about the magic egg: https://www.bbc.co.uk/teach/school-radio/audio-stories-the-magic-egg/zfsn6v4 What do you think might hatch out of this ginormous egg? Can you design a creature that you think is living in this egg and use some adjectives to describe it.</p>									
<p>Writing</p> 	<p>This week, we are looking at magic. After you have made your potion for maths, can you now write instructions on how to make your potion. The more disgusting the better. Can you also explain what your potion can be used for, how to make it and what effects it will have if it is used.</p> <p>This weeks spellings are:</p> <table border="1" data-bbox="295 1377 1564 1489"> <tbody> <tr> <td>better</td> <td>over</td> <td>winter</td> </tr> <tr> <td>summer</td> <td>never</td> <td>brother</td> </tr> <tr> <td>sister</td> <td>under</td> <td>river</td> </tr> </tbody> </table> <p>Can you put these words into a sentence?</p>	better	over	winter	summer	never	brother	sister	under	river
better	over	winter								
summer	never	brother								
sister	under	river								
<p>Wider Curriculum</p>	<p>Science- Can you do your own science experiment to create a magic potion. You may need a grown-up to help you. There are some amazing ones here: https://www.science-sparks.com/10-of-the-best-witches-potions/ Can you ask an adult to film it and send it in to show us?</p>									
<p>Challenge</p>	<p>Can you make your very own magic wand to help you cast a spell?</p> 									

Potions Capacity

Wizard William and Witch Winifred are mixing potions. Can you help find all the possibilities for their recipes?

1. Wizard William can use any 2 ingredients. His potion needs to measure exactly 10ml. Which ingredients could he use?

2. Congratulations! What will Wizard William's potion do?

3. Witch Winifred has to use more than 2 ingredients. Her potion also needs to measure exactly 10ml. Which ingredients could she choose?

4. Congratulations! What will Witch Winifred's potion do?
