| <p>Maths</p>  | <p>One more or one less</p> <p>It is important you know the numbers to 100 very well. You should be able to recall the number before and after a given number. Sometimes you may need to use a 100 square at first. Another method is to remember your ones column and how they are always in the same order. 43 has 3 ones so the next one in there is 4. Use the random number generator on google. You can change the range from 1-10 up to 100. Take this slowly moving up in 10s to make it harder. Therefore, start 1-10 and then take it to 1-20 and 1-30 https://www.google.com/search?q=random+number+generator&rlz=1C1GCEA_enGB866GB866&oaq=ran-dom+numb&aqs=chrome.0.0j69i57j0l6.3013j0j7&sourceid=chrome&ie=UTF-8</p> <p>We are getting the hang of our times tables now. Keep practicing. Remember to use times tables rock stars. This week we are practicing out 5 times tables. If you feel like you are a wiz with these you can start to look at your 3 but keep going with your 5 if you are not ready.</p> | | | | | | | | | |
| <p>Reading</p>  | <p>We know the story of Zog well. Tell someone at home what happens in all the detail you can remember. Discuss the rhyming words in the story and which words you remember that rhyme with others. Now watch the story on youtube or the cartoon on BBC and see which parts you forgot or didn't include in your retell. Notice the link between Zog and being an Olympian. He never gave up and tried hard to reach his goal!</p> | | | | | | | | | |
| <p>Writing</p>  | <p>The Olympics is a world known sporting event with lots of sports included. Can you think of a sport you like and write instructions of how to play?</p> <p>Miss Beever and Miss Suffell have been running in Lockdown. Here are our instructions.</p> <ol style="list-style-type: none"> 1. Get your running, colourful clothes on and running shoes. 2. Warm up. It is really important so you don't get hurt. 3.
