

Brambles Primary Academy – Afternoon Nursery

Nursery
06.07.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures on our [Facebook](#) page or email brambles@tved.org.uk

In the summer term we would be working on the children's Personal, Social and Emotional skills and beginning to introduce Maths and Phonics in preparation for the children becoming our older Nursery members in September. Anything you can do at home to help your child become independent will be a great benefit to them.

Subject	Learning Challenge	
Maths	Play with your toys – allow them to have a race. So if you have any cars – race them – who comes 1 st , 2 nd or 3 rd . Repeat with other toys.	
Phonics		<p>Gather a number of objects together on a tray, place a tea towel over the top. Allow the child to look at all the objects, then child closes eyes whilst tea towel covers objects and once is taken away – child is to remember which object is missing.</p>
Reading	This week we will be reading stories about Sports Day this is certainly a nursery favourite - https://www.youtube.com/watch?v=DS1c4jQT9nY Talk about what sports day is.	
Writing	<p>Design a winners medal</p> 	<p>When you are taking part in sports, it's important to stay healthy – can you draw a picture of a healthy meal.</p> 
Physical Development	Set up your own sports day – you could race your mum and dad, jump over objects or practice your throwing skills.
