

Brambles Primary Academy

Home Learning

Reception

13.7.20

This home learning is for this week. While this is not compulsory, children are encouraged to complete the tasks on a weekly basis and if possible, post pictures or send examples of the work you have done on our [Facebook](#) page or email TVEbrambles@tved.org.uk.

Please continue to read daily, this is the key to future success.

'Thank you for the fantastic photos. We love seeing what you have been doing!'

Have Fun! 🙌

Subject	Learning Challenge								
Maths 	Summer Week 12 Keeping Healthy This week's maths learning challenge is distance/measuring. Look at the picture opposite, can you estimate how far some objects will travel down a tunnel or across the floor? Can you use a ruler/tape measure to find out how far it has travelled? Was your estimation correct? Which one is the best? Have lots of fun!								
Phonics 	For your phonics learning this week can you focus on some spellings. I have put some red and green words. Challenge... Can you read, write and spell them? <table border="1" data-bbox="256 1025 1525 1108"> <tr> <td>want</td> <td>go</td> <td>old</td> <td>some</td> </tr> <tr> <td>snow</td> <td>blow</td> <td>know</td> <td>flow</td> </tr> </table>	want	go	old	some	snow	blow	know	flow
want	go	old	some						
snow	blow	know	flow						
Reading 	www.phonicsplay.co.uk Have a look on this web site and you will find an alien game 'Picnic on Pluto' You have got to decide if the word is a real word or a non-sense word. It is fun learning, enjoy!								
Writing 	Your writing challenge this week is to make a list of Healthy food and a list of Unhealthy foods. When you have completed this can you make a healthy funny sandwich to eat for lunch? 								
The World 	Ask an adult in your family tell you the importance of keeping our bodies healthy. Can you set yourself a exercise routine to follow, to keep yourself healthy? Ask a family member to video you doing your exercises and share on our Facebook page to encourage others to keep healthy too. Can't wait to see you.								
Reception Challenge	Reception challenge this week is to encourage your family to go out and walk to different areas. Record how far you have walked each day. What have you seen and learned on your walk? Keep a little daily record of how far you walked. You will be surprised how much you have travelled throughout the week. Stay safe and have fun!								

Keep an eye on the Academy Facebook and Website for updates and more challenges!
